

Community Library Borrowing Agreement

Borrowing Library Materials

A library card is required to borrow library materials and access online resources. The library card or photo identification must be shown each time a transaction is made in the library.

Ohio residents, 18 years or older, may get a library card using photo identification with a valid Ohio address. Business mail (utility bill, taxes, etc.) may be used if the driver's license does not have the current address. Temporary cards with limited privileges will be issued to individuals without proof of current address.

Patrons under 18 years of age must have a parent or guardian with an established library account assume responsibility for the minor. A default card will be issued unless the parent chooses to give the child a juvenile status that only permits use of materials located in the children's and young adult collections.

Library cards are to be used only by the person whose name is on the card. However, Community Library will not police the use of cards. If a card is lost or stolen, contact the library immediately.

Lost cards may be replaced by paying a \$1.00 fee.

Loan Policy/Periods

Patrons can borrow 50 items per account. Items with no reserves may be renewed up to two times. With the exception of special equipment, overdue fines are not charged on most materials. Donations in lieu of fines are greatly appreciated.

Material	Period
Books, audiobooks, and music recordings	28 days
